M. Ôhara, *The Hokkaidô University Museum*

Advisory Board

S. Takagi, *Professor Emeritus, Hokkaidô University*
M. Suwa, *Professor Emeritus, Hokkaidô University*
Sk. Yamane, *Professor Emeritus, Kagoshima University*
Y. Sakamaki, *Kagoshima University*

Journal Information: Published by the Research Faculty of Agriculture, Hokkaidô University. Obtainable in exchange for publications in entomology, systematics or biology, including applied fields. Publications in exchange and any communication with the journal should be addressed to *Insecta Matsumurana, Systematic Entomology, Research Faculty of Agriculture, Hokkaidô University, Sapporo, 060-8589 Japan (psocid@res.agr.hokudai.ac.jp).*

For Authors: Papers submitted to *Insecta Matsumurana* must not have been published or accepted for publication elsewhere. The journal expects authors to follow the guidelines of statutory bodies and other regulations of the country of origin during the execution of the research. If all the authors are non-HU staffs/students, the submitted paper must include indication of the material stored in or to be deposited in the Hokkaidô University Insect Collection. All manuscripts submitted to the journal undergo peer review.
