Corrigenda

The following corrections should be made in the article "Chemical Compositions of Atmospheric Aerosol Particles in Relation to the Wind Direction in Winter Season, Sapporo, Japan" by D. I. Lee, T. Taniguchi and K. Kikuchi, which appeared in the June 1988 issue (Vol. 11, No. 1) of this Journal :

- 1) Table 2 in page 90 should be change this Table 2.

Table 2. The linear correlation coefficient of anthropogenic aerosol particles (TC and SO_4^{2-}) by wind direction in summer and winter periods.
