HOKKAIDO UNIVERSITY
SAPPORO, JAPAN
October 2013
INSECTA MATSUMURANA NEW SERIES

Edited by the Laboratory of Systematic Entomology
Hokkaidō University

Editorial Board
S. Akimoto, Systematic Entomology, Hokkaidō University
K. Yoshizawa, Systematic Entomology, Hokkaidō University
E. Hasegawa, Animal Ecology, Hokkaidō University
M. Ōhara, The Hokkaidō University Museum

Advisory Board
S. Takagi, Professor Emeritus, Hokkaidō University
M. Sawá, Professor Emeritus, Hokkaidō University
S. Yamane, Kagoshima University
Y. Sakamaki, Kagoshima University

Journal Information: Published by the Research Faculty of Agriculture, Hokkaidō University. Obtainable in exchange for publications in entomology, systematics or biology, including applied fields. Publications in exchange and any communication with the journal should be addressed to Insecta Matsumurana, Systematic Entomology, Research Faculty of Agriculture, Hokkaidō University, Sapporo, 060-8509 Japan (psocid@res.agr.hokudai.ac.jp).

For Authors: Papers submitted to Insecta Matsumurana must not have been published or accepted for publication elsewhere. The journal expects authors to follow the guidelines of statutory bodies and other regulations of the country of origin during the execution of the research. If all the authors are non-HU staff/students, the submitted paper must include indication of the material stored in or to be deposited in the Hokkaidō University Insect Collection. All manuscripts submitted to the journal undergo peer review.
